ASSEMBLER - Printers

Work for a local company that sells globally!
$17.00 per hour plus monthly bonus based on productivity
Hours are flexible and NO EXPERIENCE IS NECESSARY!

Job Description

Are you looking for a job that is both interesting and rewarding? How about one that pays well, has lots of flexibility, and looks great on your resume? If that sounds good, apply now at **Primera Technology, Inc**.

We're hiring for immediate openings in our world-class assembly plant in Plymouth, MN. You'll work in a clean, air-conditioned factory while learning how a Minnesota-based manufacturer can successfully compete with large, global manufacturers of computer printers. Check out our very cool products at www.primera.com.

You'll be following verbal and written instructions to help us assemble, package and ship our digital printers that will be used in more than 150 countries. Your team will have productivity goals that can result in substantial extra pay each month. We have a limited number of positions available, so if you are interested, apply today!

Qualifications

High school degree or equivalent required. Previous production experience helpful. Basic reading and writing ability required. Requires ability to lift up to 20 pounds generally and stand for up to 4 hours at a time.

Hours

Pick your hours: 5:00 am – 3:30 pm Mon-Thur OR 7:00 am - 3:30 pm Mon- Fri . YOU CHOOSE! Overtime hours, as needed.

Details

Manufacturing location is 141 Cheshire Lane N, Plymouth, MN.

Successful candidate will be required to undergo and pass drug testing, assembly testing, and a background screening.

Job Type: Full-time
