5c Installing the Printer Driver (Mac)

Connect the Publisher to your PC with your beige USB 2.0 Cable.

The printer driver will automatically install.

To verify the driver installed or reinstall go to the Mac System Preferences (Apple - System Preferences). Click the Print and Fax Icon.
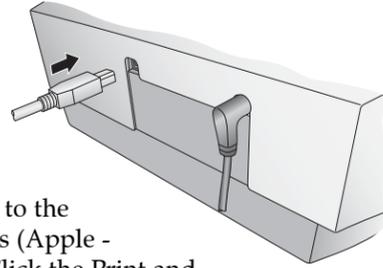

The driver will appear as shown below. To manually add the driver click the + button.
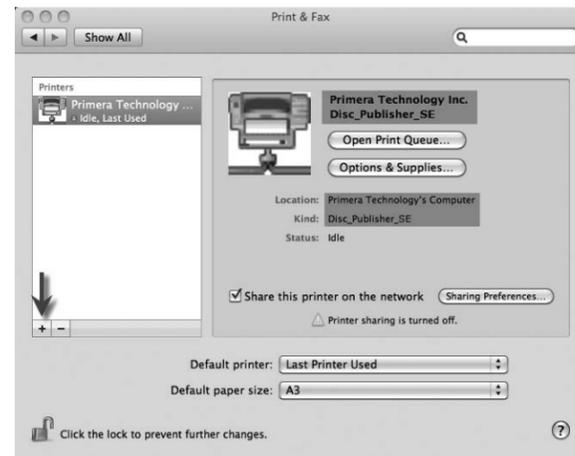

6 Installing the Ink Cartridge

- With the cover open, press the button on the top of the Publisher to move the Ink Cartridge Carrier to the load position.
- Open the cartridge cover by pressing down on the tab.
- Remove the ink cartridge from its packaging.
- Slowly remove the tape covering the cartridge's print head. *DO NOT TOUCH THE COPPER AREA!*

- Insert the ink cartridge into the carrier, copper end first and snap the cartridge cover in place.
- Close the Publisher's front cover.
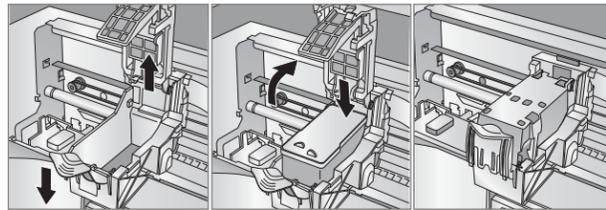

7 Aligning the Cartridge

If you are using a PC the Installer will prompt you to align the cartridge.

If you are using a Mac you will be prompted to align the cartridge before you print for the first time.

Note: An alignment print is required every time you install a new cartridge. The software will always prompt you to align the cartridges. Make sure there is an unprinted disc in the bin for this alignment.

8 Publishing a Disc

Congratulations, you are now ready to start Printing and burning discs!

- For Instructions on printing or Publishing a disc see Section 3 of the User's Manual.
- For help with problems printing discs using a PC or Macintosh please visit Primera's online Knowledgebase at www.primera.com/knowledgebase.html.

Bravo se ® Disc Publisher **AutoPrinter**

Automated Optical Disc Duplication & Printing System
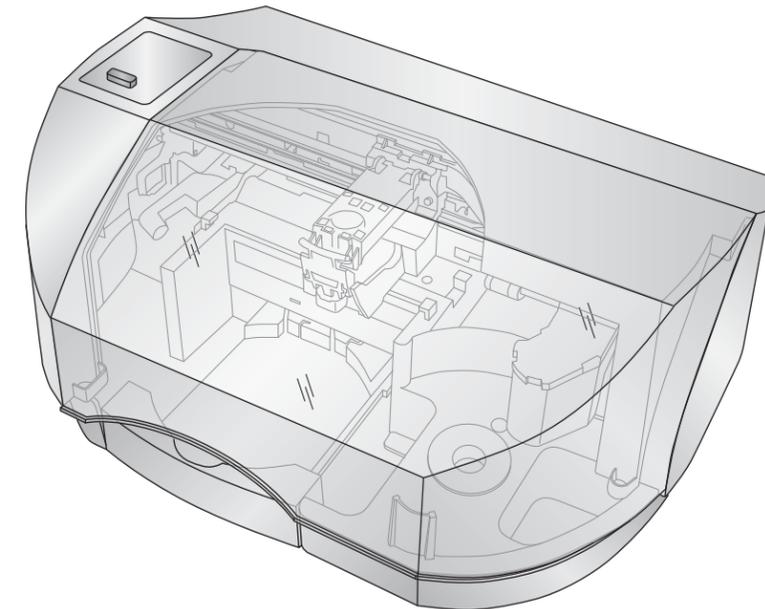

PRIMERA

1 Unpacking Your Bravo

The following items are contained inside the box:
- Disc Publisher SE
- Power Cord and Converter
- One Three-Color (CMY) Ink Cartridge
- Installer Disc
- USB 2.0 Interface Cable
- Warranty Card
- The Operator's Manual, Quick Start Guide and Other Printed Information

Save the carton and packing materials. They will come in handy later if you ever need to transport the Publisher and/or any of its parts and accessories.
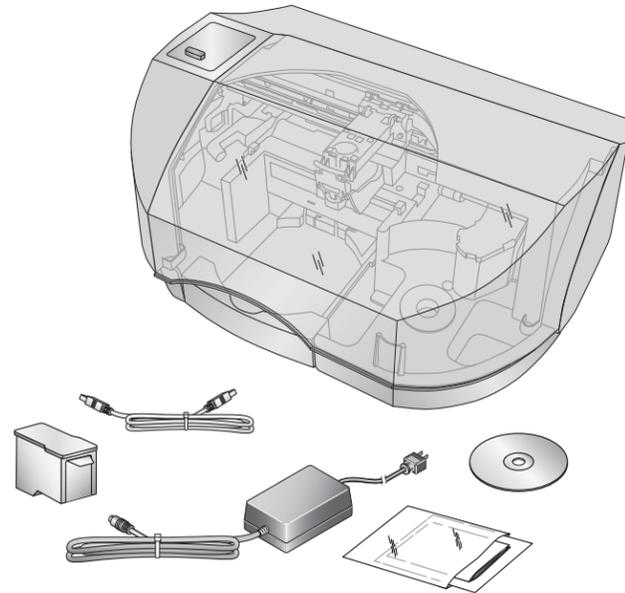

2 Installing the Software

PC

1. Place the Installer CD in your CDRom Drive. The Installer application will automatically launch in a few moments.

2. You may follow either the steps shown in this Quick Start or the steps shown in the installer to complete the installation.

Note: If the Installer does not start, open My Computer on your desktop. Double-click the icon of the appropriate CD drive containing the Software Installer disc. Double-click Setup.exe.

Mac

1. Insert the Installation CD-ROM in your system's CD-ROM drive.

2. Double-click the CD-ROM icon.

3. Double-click on the **Disc Publisher Installer.pkg** file icon. Follow the on-screen instructions.

3 Applying Power

Be sure you have removed the packing tape and cardboard insert prior to applying power.

- Locate the power cord supplied with your Publisher.
- Place one end of the cord into the power port on the rear panel of the Publisher and the other end into a power outlet.
- Unit will initialize for approximately 30 seconds.
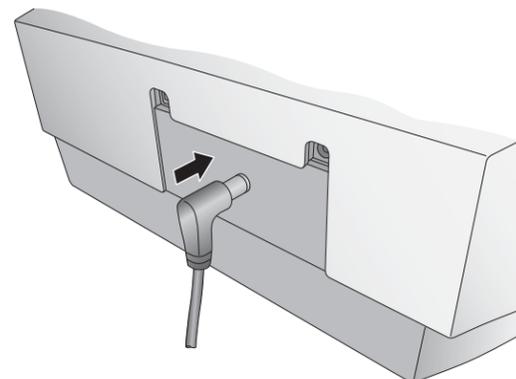

4 Loading Media (Discs)

Note on Media: *Your Publisher can print directly onto virtually any brand of printable-surface CD/DVD media. However, different brands of discs have different printable coatings. Because of this, you may need to adjust the printer driver settings to accommodate your specific brand of CD/DVD media. Refer to Section 3D or 4D for further printer driver information.*

For maximum print quality, use CD/DVD media authorized by Primera.

Refer to the following steps when loading discs in to the Publisher:

- Open the front cover of the Publisher.
- Load the Input Bin (the bin located on the right-hand side of the Publisher) with up to 20 blank discs.
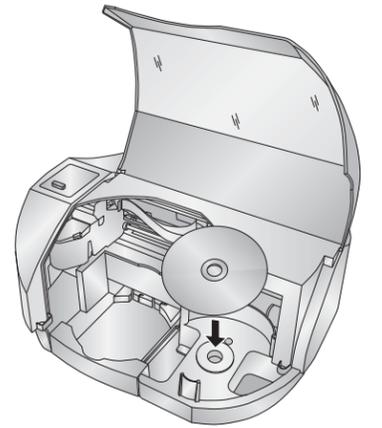

5a Installing the Printer Driver (Windows Vista/7)

Click the "**Install Driver**" button when prompted to do so by the installation disc.

Files will begin to copy to your hard drive.

You will be prompted that Windows can't verify the printer of this driver software. Click **Install the driver software anyway**.

Finally, connect the Publisher to your PC with your beige USB 2.0 Cable.
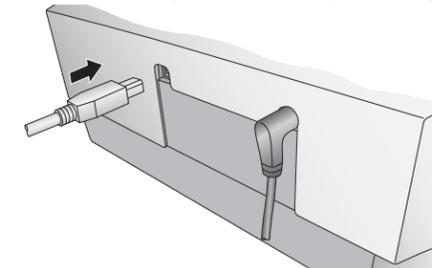

5b Installing the Printer Driver (Windows XP)

Connect the Publisher to your PC with your beige USB 2.0 Cable.

After a few moments, Windows will tell you it has found new hardware and is looking for software to install it.

Select "**Install the software automatically**" and follow through the wizard to complete the installation.
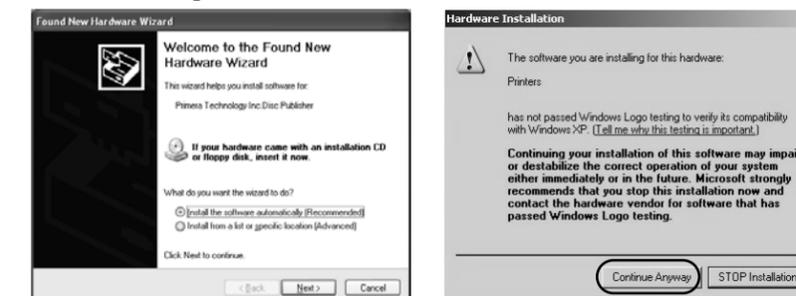

You will be prompted that the software has not passed Windows Logo Testing. You must click **Continue Anyway** to finish the installation.
