ENTRY-LEVEL DISC PUBLISHERS

Bravo[®] se-3 Disc Publisher

Bravo SE-3 is a compact, all-in-one, automated disc production device that fits perfectly on your desktop. It automatically copies and prints up to 20 discs per job.

It produces full-color, high-quality discs that make your business or organization look truly professional.

Bravo SE-3 is perfect for a wide variety of light- to medium-duty disc publishing jobs. You can copy and print individual discs with unique data or quantities of the same disc.

Just a few of the most popular uses include content for police car video evidence, PACS images in radiology, court proceedings, worship services, high-resolution wedding videos, music CDs for bands to sell and photo collections for mission trips.

Bravo SE-3 Features Include:

- » Up to 20-disc capacity
- » Color inkjet printing at up to 4800 dpi
- » One high-speed recordable DVD/CD drive
- » Includes burning and printing software for Windows[®] 7/8/10+ and Mac[®] OS X 10.7 or higher
- » Bravo SE-3 AutoPrinter also available (no drives, print only)
- » Bravo SE-3 Blu Disc Publisher also available with Blu-ray Disc[™] drive
- » USB 3.0 — for faster Blu-ray burning

Bravo® 4202 Disc Publisher

Bravo 4200-Series automate the process of burning and printing quantities of recordable CDs, DVDs and Blu-ray Discs. Using built-in robotics, discs are transported one at a time into either single or dual optical drives. After data is burned, the discs are transported to a high-speed, high-resolution full-color disc printer.

Bravo 4200-Series Features Include:

- » 50 or 100 disc capacity
- » USB 3.0 – delivers the fastest possible recording speeds on CD-R, DVD-R and BD-R media
- » One high-yield, tri-color ink cartridge – delivers low ink cost per disc
- » 4800 dpi print quality
- » Compatible with Windows® 7/8/10+ and Mac® OS X 10.7 or higher
- » Optional LG Blu-ray Disc recordable drive

The World's Fastest CD/DVD Blu-ray Disc Publishers

Bravo 4200-Series Models Available:

- » Bravo 4200 AutoPrinter – print only (no recording drive)
- » Bravo 4052 Disc Publisher – one recording drive, 50-disc capacity
- » Bravo 4201 Disc Publisher – one recording drive, 100-disc capacity
- » Bravo 4202 Disc Publisher – two recording drives, 100-disc capacity
- » Optional Blu-ray disc drive

PROFESSIONAL-GRADE DISC PUBLISHERS

Bravo[®]4202 XRP Disc Publisher

Bravo 4202 XRP has the same quality and high-speed features of the industry-leading Bravo 4202 Disc Publisher but in a rack-mount steel cabinet.

All supplies and finished discs are accessible entirely from the front of the unit. This allows the Bravo 4202 XRP to be placed on shelves or under counters or even mounted in a standard 7U space with optional rack mount kit. It has a steel case and frame and a lockable front panel for use in environments in which an extra measure of ruggedness and security is advantageous.

Just a few of these applications include medical imaging, banking and insurance, government, military, kiosks, retail music and video download and much more.

Bravo 4202 XRP Features Include:

- » Rack mountable
- » Up to 100-disc capacity
- » Individual tri-color ink cartridge
- » Color inkjet printing at up to 4800 dpi
- » Two high-speed recordable DVD/CD drives
- » Includes burning and printing software for Windows[®] 7/8/10+ and Mac[®] OS X 10.7 or higher
- » Optional PTPublisher NE for connecting to networks
- » Optional LG Blu-ray Disc recordable drive

Primera offers complete support of Blu-ray Disc technology across its entire product line. Blu-ray has become the worldwide standard for high-definition video offering more than five times the storage capacity of traditional DVDs. All of our Bravo SE-3 and 4200-Series Blu-ray disc publishers utilize USB 3.0 – for the fastest burning Blu-ray.

High-resolution Blu-ray Discs have become popular among videographers for distributing high-resolution videos of weddings, events and independent films.
