Thank you for purchasing the Disc Publisher XR/XRP Kiosk Stand . This stand may be used with the Disc Publisher XR or Disc Publisher XRP only. Follow the instructions below to setup your kiosk stand.

1. Set the stand on a smooth flat surface. The dimensions of the stand are listed below:
   - Back of stand to front of bezel - 18.125" (46.038 cm)
   - Back of stand to front of kiosk bin - 21.375" (54.3 cm)
   - Height - 6" (15.25 cm)
   - Height with XR - 13.0625" (33.18 cm)
   - Height with XRP - 16.5" (41.91 cm)
   - Width - 17" (43.18 cm)

2. Disconnect all cables from the XR or XRP.

3. Place the XR or XRP on top of the stand so that the feet on the XR/XRP fit inside the corresponding holes in the stand.

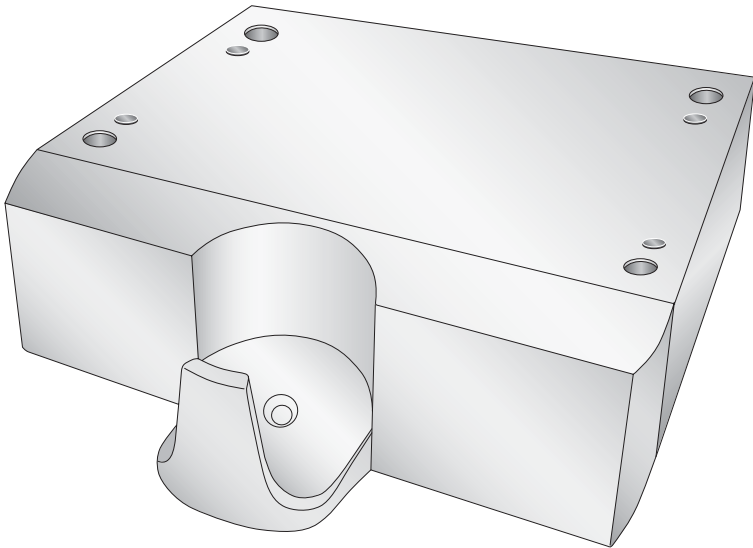

Rubber Bumpers

4. The rubber bumpers on the top the stand should elevate the XR/XRP slightly above the stand so that there is no metal to metal contact.

Note: *Since there are no screws holding the XR/XRP on the stand please separate the stand from the XR/XRP when transporting.*
